THE TARTAN 1987
MacMurray College
Jacksonville, Illinois
Volume XXVII

Dear Friends

Within the following pages you will find memories of Mac friendships ... those that began last year, as well as those that began two, three, and even four years ago.

Remember how those friendships started? SOS groups? Watermelon feasts? Dances? Classes? Campus Center? Dining Hall? Moving in ... trying to figure out how to fit your stereo, T.V. and refrigerator in that small space (especially if you had a roommate who had the same stuff)? The list goes on.

As you thumb through the pages of your 1987 Tartan, the memories of how your Mac friendships got started will surely come back to you.

CAMPUS ACTIVITIES

Homecoming

Dancing With Plaid Attitudes

"Party in Plaid" was the theme for this year's homecoming festivities held October 11, 1986.

The traditional parade started at 9:30 in front of Norris Hospital. The Nurses' Club won the prize for best float. Following the parade, a soccer game was held against Aurora, which we won 1 to 0. At 2:00, the football game against Kentucky Wesleyan began, which we also won, 26 to 21.

The dance was held from 9:30-11:30 in McClelland Hall, and for the 50 people who attended, music was provided by "The Rave". Favorite songs, and especially Robert Palmer's "Addicted to Love" got everybody out on the dance floor.

Coronation of King and Queen took place at 9:30. Todd Stephens and Vicki Houser reigned with court attendants Dale Johnson, Cindy Boone, freshmen; Paul Levine, Caren Williamson, sophomores; Steve Domalewski, Julie Sweeney, juniors; Ron Jenkins, Julie Golden, seniors.

Tickets were sold for $3 single and $5 couple. CAB sponsored this event with Tony Cundari, Grady Gilkey, Steve Ryan and Melody Weigand as chairpersons.

Campus Activities

Are We Having Fun Yet?

When people think of college, the first thing that usually pops into their head is homework and more homework. Studying is a major component of college, but there has to be more than just doing homework. For example, being with friends and having fun. Students usually get together in large or small groups, either to party, watch t.v., go to the movies, attend football and basketball games, etc. Just think, what if college only consisted of doing homework and studying 24 hours a day, 7 days a week? You would get bored of doing the same thing all the time. There is more to college than just doing homework, some fun is involved.

TOP. Um, good pickle juice, thinks Joe Romando to himself.

MIDDLE LEFT. Cathleen Hopkins, Jaime Hughes and Cheryl McBee take a break from writing their Rhetoric speeches to pose for a picture.

MIDDLE RIGHT. We really are innocent girls, reply Lynn Lambert and Tammy Dugan.

LEFT. Is this how Laurel Lewis looks on one of her better days?

CAMPUS ACTIVITIES

FAIR WEATHER FRIENDS?

No matter what the weather, the friendships at Mac are what make it a place for not only learning, but sharing and growing. Above, Lynn Lambert, LeAnn Brown, Laurel Lewis and Tammy Dugan enjoy a walk around campus, while (at left) Dawn Williams, Sarah Boomer, and Laura Mayberry take a spill on Mac Hill.

NURSES' CAPPING

Fourteen junior nursing majors took a significant step toward their career goal Nov. 12, 1986 as they participated in the fifth annual capping ceremony in Annie Merner Chapel. The capping event is a symbolic way to mark each student's entry into the nursing profession.

In just three short years. MacMurray College has established one of the most competitive Division III football programs in Illinois. The 1986 season saw the Fighting Highlanders compile a 6-3 record, including a win over nationally-respected DePauw.

The Fighting Highlanders showed no signs of being the newest football team in Illinois as they passed and ran their way to an average per game output of 290 yards.The team's 2612-yard production featured 1560 yards through the air. MacMurray ran up an impressive 178 points (nearly 20 per game) while the Highlander defense turned in a pair of shutout performances. In fact, the MacMurray secondary earned national recognition by limiting foes to an average passing yield of just 110 yards per game.

Another indicatin of just how good the 1986 "Mac Attack" was can be seen by examining the three teams who topped MacMurray. Rose-Hulman (8-2) won the Collegiate Athletic Conference, Monmouth (8-1) was Midwest Conference runner-up, and Augustana (12-0) won its fourth straight national championship. The winning percentage of the three teams who topped MacMurray was .930 (28-3). MacMurray's 1986 schedule was justifiably one of the toughest among the Midwest's Division III schools.

Lantz Heads Mac All-Stars

MacMurray's Jeff Lantz, who turned in a stellar performance in goal for the Highlanders in 1986, was rewarded for his efforts by being named to the All-Illinois Second Team. The All-Illinois squad is comprised of players from all three NCAA divisions plus the NAIA. Lantz was joined on the All-Illinois squad by Steve Domalewski who was selected as an honorable mention back.

In voting by the National Soccer Association of America (NSCAA), MacMurray's Vidal Amador was named to the All-Midwest Second Team. The elite team was comprised of players at Divisions II and III representing colleges and universities across the Midwest. Amador was picked as a midfield representative.

The MacMurray trio also picked up post-season honors for their conference play. Coaches in the Illinois-Indiana Collegiate Soccer Conference and the Prairie College Conference named Lantz, Amador and Domalewski to the 1986 all-conference teams.

'Court Report' For 1986

The Lady Highlanders of MacMurray College reached new heights in 1986 when senior setter Jennifer McElwee was voted to the Academic All-America Second Team. En route to posting a fine 17-victory season, the Mac women finished second in the Prairie College Conference Tournament and claimed consolation honors at the rugged Washington University Invitational. McElwee was joined on the All-Conference Team by junior hitter Suzy Judge and promising newcomer Elise Moore, a middle hitter. Wins over such solid clubs as Rhodes, Millikin, Greenville and Div. I Chicago State proved that volleyball at MacMurray enjoys a high degree of competitive success. Judging by the 16-9 and 17-16 marks of the past two seasons, the MacMurray volleyball team is streaking toward the upper echelon of Division III clubs in Illinois. With more of the quickness, court smarts and team play that have proven so effective for MacMurray, foes in 1987 will continue to see a spirited team intent on winning statewide respect in the sport.

McElwee Named Academic All-America

Senior setter Jennifer McElwee became the first female student-athlete at MacMurray College to attain All-America honors when she ws named to the 1987 GTE-CoSIDA Academic All-America Volleyball Team.

An accounting major, McElwee was one of six players nationwide named to the Second Team at the Division III level. The Macon High School graduate, who has lettered in volleyball, basketball and softball for the Lady Highlanders, was one of only two District 5 representatives named to the elite post-season squad.

The GTE-CoSIDA Academic All-America Awards Program honors student-athletes who excel in the classroom as well as in their chosen sport. McElwee, who is active in a number of academic endeavors at MacMurray, has attained a cumulative grade point average of 3.84 on a 4.0 scale. Nominees for the All-America program must achieve a GPA of at least 3.2.

Cagers Surge To 2nd In PCC

An upset win over conference champ Eureka and Scott Fearrin's record-setting performance supplied the highlights in 1986-87 as MacMurray's basketball Highlanders reached the 10-victory plateau for the seventh consecutive season.

Despite finishing with 10-15 record, coach Bob Gay's Highlanders made the most of action in the Prairie College Conference as they finished in second-place with a 7-3 ledger. MacMurray's 73-64 win over Eureka, in fact, marked the only league loss suffered by the Red Devils during the past two years.

Individually, senior guard Scott Fearrin wrote his name into the record book by scoring 573 points — the most ever by a MacMurray basketball player since the sport was introduced to campus in 1957. The sharpshooter from Carmel, Ind., capitalized on the NCAA's new three-point field goal rule by drilling 96 of 224 long-distance attempts to finish the campaign with an impressive per-game scoring average of 22.9. In fact, Fearrin's propensity for the three-point field goal established the MacMurray senior among the nation's leaders in the category of three-pointers made per game. His average of 3.8 placed Fearrin at the top of the Division III charts.

Without any starters standing in at 6-3 or taller, the Highlanders struggled all season with a serious height disadvantage. Freshman Rich Smith from Perry, Ill., gave the squad a big lift at mid-season when he resonded to a spot in the starting five with a 13.0 scoring advantage and 5.6 rebounds per contest. Without a true center, the Highlanders went often with a three-forward alignment that paired sophomores Jim Althoff (Jacksonville) and Darin Craven (Griggsville) with Smith. A steady performer, Althoff chipped in with 10.3 points per game while, Craven, who shared the team lead in rebound with Smith, added an average of 10.6 points.

Junior guard John Moran of Chicago (St. Benedict H.S.) ran the offense from his point position while junior Robbie Wann of Terre Haute, Ind., was Gay's top substitute.

Under assistant coach Ed Ecker, the junior-varsity Highlanders posted a 5-7 record. Freshmen guards Gene Collier of Springfield (Southeast) and 5-5 Bobby Jones of Divernon flashed signs of varsity promise while forwards Jerry Goodman of Mt. Pulaski and Ben Lueken of Marshall, Ill., served notice that they had designes on future varsity assignments. Assumption High School's Troy Baker and Springfield-Southeast's Chuck Shanklin also logged plenty of jayvee court time while, at the varsity level, forward Doug Daugherty of Carlinville, Ill., supplied capable relief for MacMurray's starting front line.

Ladies Win League Crown

The women's basketball program at MacMurray College took another giant stride toward respectability in 1986-87 when the Lady Highlanders captured a share of the Prairie College Conference championship.

Coach Karen Sweitzer's squad chalked up the most wins ever recorded by a women's basketball team at MacMurray. Included in their 12-13 record was a 7-3 conference mark that placed the Lady Highlanders in a PCC title share with Eureka.

Senior forward Kathy Miller sparked the Mac scoring attack with a per-game average of 15.4 while contributing 7.8 rebounds per game. She also finished among the nation's Division III free-throw leaders by canning over 80 percent of her attempts from the line. She was an intimidating force for MacMurray on the boards and supplied the club with valuable leadership, according to Sweitzer.

The steady presence of junior Kristy Adkison was another big factor for MacMurray. Alternating between center and forward. Adkison paced her team in rebounding with an average count of 8.4 per game. Her scoring average of 12.6 made her one of four double-figure starters for the Lady Highlanders.

The sophomore tandem of Kris Darr and Stephanie Freemon continued to sparkle in '86-87, giving Sweitzer one of the PCC's finest guard combinations. Darr, a solid rebounder, led the team in steals and finished with a scoring average of 11.6. Freemon, perhaps the club's best outside shooter, added 13.5 points per game while leading her team in assists.

Mansell, Schilson Lead Matmen

MacMurray College's Ken Mansell and Tom Schilson captured championships at the Mideast Regional and represented the Highlanders at the 1987 NCAA Division III National Wrestling Tournament.

Under first-year head coach Jim Raabe, the wrestling Highlanders compiled an overall mark of 7-7-1 in dual meets and fared well against some of the best competition in the Midwest at several prestigious tournaments. The season highlight came in late February at the regional meet when Mansell and Schilson upheld their status as top seed in their respective weight divisions and captured championships. It marked the first time since 1982 that MacMurray qualified more than one wrestler for the national championship.

For Mansell, the 1986-87 season marked the second year in a row that the talented senior had earned 30 or more wins. Competing at 158, Mansell compiled a mark of 30-7-1 and earned his third trip to the nationals after qualifying as a wild-card entry on two previous occasions. His convincing 19-4 win in the reginal final came against John Carroll's Joe Schmidt, a wrestler who earlier in the season managed a 2-2 tie against Mansell.

Schilson won his first trip to the nationals on the strength of a 4-1 decision over Phil Dewey of Wabash College. Schilson, who wrestled previously under Raabe when the current MacMurray coach held the Hamilton High School post, compiled a regular-season mark of 17-13-2.

Co-captain B.J. Murray closed out a fine four-year MacMurray wrestling career with a fourth-place finish at the regional.

Swimmers Place 2nd

Even though a valiant bid for conference honors fell short, MacMurray's swim team posted one of its best showings in recent years during 1986-878.

Under the guidance of head coach Ray Fredericks, the squad splashed its way to a combined dual meet record of 13-9. Included in that total was a 3-0 mark in coed meets and a 5-3 record compiled by the women's squad.

Boosted by a number of record-setting performances, the MacMurray women put a scare into Principia at the Prairie College Conference Championships. After the waters had calmed, MacMurray's bid for a PCC crown came up short by a final count of 131-77, but the efforts of the Lady Highlanders boosted them well past conference foes Eureka and Blackburn.

Junior sprint specialist Karen Jennings raced to first-place finishes in the 50- and 100-yard freestyle and teammate Jackie Rosenbury, duplicated that feat with titles in the 200 individual medley and the 500 free. The PCC winners' circle also included MacMurray's Heather Price, who copped a first in the 200 free, and Diana Thomas, first off the board in the optional one-meter dive. For Price, the PCC meet capped an outstanding career at MacMurray.

The men's squad recieved strong performances from freshman Dan Podawiltz in the 200 free (second) and the 100 breast (second), and newcomer John Sullivant with third-place finishes in the one-meter optional diving event and the one-meter required dive. Sullivant teamed with John Zoehler, Steve Ryan, and Corbin Wyatt in the 400 free relay unit that finished third.

Elite Welcome MacMurray

The nation's elite small-college baseball teams welcomed MacMurray College to the inner-circle in 1986 in a season that saw the Highlanders take giant strides toward prominence at the Division III level.

On the strength of a 25-3 mark against Division III teams (33-17 overall), the Highlanders garnered an invitation to the prestigious Mideast Regional in Ohio where they proved to be the surprise entry among the field's six competitors. The young MacMurray team defeated ninth-ranked Wooster and then tripped Baldwin-Wallace before falling to runnerup North Central and eventual national champ Marietta. Despite returning home with a 2-2 tourney mark, the 1986 Highlanders logged a season to remember.

Individual accomplishments were highlighted by junior outfielder Brad Burger who slugged a nation-leading 26 homeruns. Burger's power display, which included a school record 70 RBIs, won him selection to the Division III All-America team, another first for a MacMurray athlete. Ken Gand copped another school record with 12 wins while fleet-footed shortstop Ron Lindsay ran his way into the MacMurray record book with 41 stolen bases.
